

Invitation Klippan Open Air 2024 Air Guns

Klippans pistolklubb is inviting, for the first time, to an international competition for air pistol and air rifle. The competitions will be held in a hall built to sustain athletic sports and is for this occasion rebuilt to suit air weapon competitions.

Klippan is situated in the north western part of the county of Skane and has some nice recreation areas to offer as well as some restaurants and shops.

The Sågen house itself is housing more than 40 different clubs and associations from karate to chess and is well worth a tour in itself.

Sågen house is now the place for Klippan Open Air.
